## WHAT WE LOVE ABOUT IT

They are up-to date with all their security measures from the locking outer doors, video monitoring, and intercom system! They have two large, shaded, secure playgrounds, hundreds of picture books, offer music and movement class, Chapel lessons, Spanish, Handwriting without Tears and Recipe for Reading curriculums. Through everything they do from planting to cooking, they're developing self-esteem, fine motor, gross motor, social skills, math, science, language, and phonemic awareness.
