## WHAT WE LOVE ABOUT IT

They are up-to-date with all security measures from video monitoring and intercom system to locking outer doors. They have 2 large secure and shaded playgrounds. They offer within the curriculum Music, Movement, and Chapel. Additionally for fours and fives they have Spanish, Handwriting without Tears, and Recipe for Reading curriculum. Children plant, cook, create, and spend time outdoors. They are given opportunities to work with fine and gross motor developing activities, have support in growing social skills, all while enjoying lessons in math, science, and phonemic awareness. The preschool is well appointed with hundreds of picture books, puzzles, and a large variety of age appropriate play materials.
