### Tuition Reminder

Tuition collection for the upcoming month (November) will take place during the first two weeks of the month (October 1st-October 15th). You can use our new online payment system, Vanco, via our preschool website: [ourschoolhangout.com/stdavidspreschool/](http://ourschoolhangout.com/stdavidspreschool/) or send in a check with your preschooler.

### It Takes a Village to Run a Preschool . . .

To help us offset our increased cleaning costs, if you can help us out, we are requesting \$20 per month per family or whatever your family can manage. This pays for our helpful floater teachers, the cleaning supplies, and activities involved in keeping the preschool clean and safe for all who attend.

We are also collecting snack donations via Sign-up Genius. Emails will be sent out monthly with the link to sign up.

We can't thank you all enough for everything you do to support St. David's.

### Individual Student Portraits October 1st

Rainflower Photography will be here to take fall portraits of the children. She shoots outdoors with a dark background to really make colorful clothing and skin tones stand out beautifully. If the weather is cooler, remember to send a photo friendly wrap to wear for the picture. Siblings in preschool will be brought together for both individual and group shots.

**Halloween Parties**

We celebrate Halloween the St. David's Preschool way...the children attend their classroom parties wearing a t-shirt of their own creation made in their class. Your teacher may contact you with a sign up for a few little special party items.

### Women of Wonder W.O.W.

Women of Wonder is an opportunity for mothers with young children to explore God's grace and presence in the ups and downs of everyday life of motherhood. We will be having Zoom meetings on Mondays: October 5th & November 2nd @ 7:30 PM. We also plan to meet in-person on Friday, October 16th. We will meet in the Memorial Garden at 6:30 PM.

### Brrrrrr....Remember your child's jacket!

When chilly weather is upon us, on our shady playground, your little ones may need an extra layer of warmth. Check the forecast and send in a light weight jacket *labeled with your child's name.*

**Happy** **Fall y'all**
